6 Grosvenor Gardens
London, S.W. 1, England

RADIO: *1ER* your *2130* R *73* at *1745* GMT *29 August* 1926
at *Comstange Brunvic* QSB *and* QRN *and* QRM *and* QRB ?

TRANSMITTER: - Armstrong tuned plate, *100* watts input.
Hertz antennae and harmonics of ship's main antenna.

RECEIVER: - Low loss single circuit, two stages L.F.A.

*Fine QSO! Was rather surprised to know
that I was talking to a Y.A. fm #3CDQ!
Will have one of NYF's crystal sets before
the end of September. Hope to meet you
and I had this winter in Italy*
